

	QuXAT Quality Management System		Document No:	QUXAT/SOP/45
	Title	Outsourced Test Reporting	Page No:	Page 1 of 2

1. PURPOSE

1.1. The purpose of this document is to define the process of Outsourced Test Reporting

2. SCOPE

2.1. The implementation of this procedure applies to the entire lab personnel handling outsourced reporting

3. RESPONSIBILITIES

- 3.1. Laboratory Director
- 3.2. Laboratory Quality Manager
- 3.3. Technical staff
- 3.4. Reception Staff

4. DEFINITIONS

4.1. Referral Laboratory: A laboratory to which the organization forwards the testing work when the organization does not perform the service or is unable to perform the diagnostic service

5. ABBREVIATIONS

- 5.1. SOP - Standard Operating Procedure

6. REFERENCES

- 6.1. NABL 112 Document

7. PROCEDURE

- 7.1. The laboratory shall maintain an updated list of approved referral laboratories for outsourced lab testing
- 7.2. The laboratory shall maintain the list of outsourced tests – updated as and when required
- 7.3. Referral laboratories are selected as per the criteria laid down by the laboratory and updated every year by the Laboratory Director after approval from the Managing Director of the Laboratory for conducted outsourced laboratory testing
- 7.4. The outsourced test samples are forwarded to one of the approved Referral Laboratories with relevant submission forms and paperwork
- 7.5. Laboratory shall maintain outsourced test records pertaining to lists of tests and the names & addresses of the referral laboratories from which services are obtained. The information is kept both in the ‘referral’ file and the patient file
- 7.6. The referral outsourced testing event will be documented in laboratory and a copy of the paperwork will be kept with the case file by the employee making such decision or the section leader’s Designee
- 7.7. It is recommended to inform the patient in advance when tests are referred from Laboratory to an external referral laboratory as part of outsourced testing
- 7.8. The details of the referral laboratory will be clearly mentioned in the report and the results will be reported as determined by the referral laboratory
- 7.9. Laboratory shall transcribe the outsourced test report without alterations of clinical interpretation with additional remarks (if required)
